

Applying Warranty Stamps

This guide illustrates how to apply warranty stamps to a part or labor line on a ticket.

Written By: Jennifer Harding

EXTRA

Step 1 — Applying Warranty Stamps

- Click on the **Extra** tab.
- Click on the line's **Actions Menu**. Each line item will have its own Actions Menu.
- Click on **Edit Extra Fields**.

Step 2 — Applying Warranty Stamps

- Click on the **Warranty Stamp** drop down to select the appropriate warranty.
- Warranty Stamps can be added to the system under the Configuration tab.
- Click on the **Green Check Mark** button to save changes. Click the **Red X** button to cancel.
